

MUHAMMAD SAMEER

Karachi, Pakistan | muhammadsameer4536@gmail.com | GitHub | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Software Engineering student at Bahria University with hands-on experience in full-stack development, backend systems, desktop applications, and database-driven software. Skilled in JavaScript, React.js, Node.js, C#, Java, Python, Go, and SQL, with a focus on clean architecture and practical software engineering.

TECHNICAL SKILLS

Languages: JavaScript, C#, Java, Python, Go, SQL **Frontend:** React.js, Next.js, HTML5, CSS3, Tailwind CSS, JavaFX
Backend: Node.js, Express.js, Spring Boot, REST APIs, WebSockets **Databases:** PostgreSQL, MySQL, MongoDB, SQL
Tools & Platforms: Git, GitHub, Vercel, Railway, .NET

PROJECTS

Remote Pro [Live Demo]

Technologies: Go, RobotGo, WebSockets, JavaScript, HTML5, CSS3

Cross-platform remote keyboard and mouse control system using real-time WebSocket communication and RobotGo. Embedded web assets directly into the Go application to simplify deployment.

Dev-AI [Live Demo]

Technologies: React.js, Node.js, Express.js, MongoDB, OpenRouter API, Hugging Face API

Full-stack AI workspace with multi-model chat, streaming responses, authentication, conversation persistence, image generation, and document exporting.

NeoAura

Technologies: Java, Spring Boot, JavaFX, SQL

Desktop application using Spring Boot for application logic, JavaFX for the graphical desktop interface, and SQL-based persistence.

Audit Pro

Technologies: React.js, Node.js, MySQL, JavaScript

Desktop-based auditing and management application with a React.js interface, Node.js backend logic, and MySQL data storage.

EXPERIENCE

Developer - Bahria University Development Society

2025 - Present

- Contribute to internal software projects, website updates, technical initiatives, and collaborative development tasks.

Core Developer - AWS Student Builder Group, Bahria University

2026 - Present

- Support technical setups, infrastructure, web deployment, development environments, and cloud computing workshops.

Event Organizer - BUDS Techathon 2.0

2026

- Helped coordinate event operations, activities, and technical support.

EDUCATION

Bachelor of Science in Software Engineering - Bahria University Karachi Campus | Expected Graduation: 2028

CERTIFICATIONS & AWARDS

Certificate of Appreciation - BUDS Techathon 2.0 (2026) | Certificate of Participation - BUDS Techathon 2.0 (2026) |
Certificate of Participation - HP Experience Center (2026) | English for STEM - OPEN Network (2024)

LANGUAGES

English: Fluent **Urdu:** Native
